Depending on what time they get in, if it is closer to 1015AM then they should just go to the Elementary. Not sure what time the plane leaves Manokotak. If earlier, then they should go to the Family Resource Center and I am sure we will find rides for people, if not there are cabs. I know I plan on having a car, hopefully others from Dillingham will have cars too. I will make sure we take care of your Elder.

The airline that is going to be taking them will have a vehicle to drop them off. I will let them know it will be at the Family Recourse Center.

That is fine if they are late to the session. They will need to get a ride to the headstart building (FRC @ BBNA) .Thank you for letting me know. ; )

Session - June 3rd

Since Manokotak is about 10 minutes away from Dillingham I am going to have them travel on that day and Bristol Bay Air will be picking them up in the morning. I don't know if that will be a problem for you.

Good Morning!

I wanted to let you know that I received your registration. Here is the revised agenda, please know that in order to accommodate more people who may want to attend the Bristol Bay Watershed Assessment Listening Session, we have moved that one part of the agenda to the Elementary School.

We will still start @ 830AM at the Family Resource Center (FMC), we will break at 1015AM to head over to the Elementary to meet the EPA Officials, and then at 1PM we will go back to the FMC to continue the mining information session.

If you have any questions please let me know.

I look forward to seeing you all next week.

Safe Travels and enjoy the Memorial Day weekend.

Sincerely - Tami
